Knowledge Village, Dubai, UAE.

2nd September 2008

Re: **Woodthorpe Wright Associates FZ LLC**

Thank you for the support you have provided to deVere & Partners of the past couple of years. Your Executive Coaching has been extremely targeted and consistent and has helped myself and members of my team to maintain focus and develop the business through periods of massive flux.

This has been complimented by your Teambuilding days with the whole team which has combined to improve retention, morale and understanding within members of the business unit.

Many thanks,

Austin Blair FAIQ (CII)
